

## Measuring by hand

Understanding different ways of measuring and the difference in accuracy.

### Practical Work

Items required -  
Tape measures  
Rulers

Visit Willow Grove and choose a tree that is easy to access.  
Explain and assist the exercises on worksheets -

*Student Worksheet ArtDesign KS2\_1*

*Student Worksheet ArtDesign KS2\_2*

### Classroom Work

Prior to the practical work the children should be aware of measuring in metres and centimetres and how to express centimetres as decimal parts of a metre.
