

## What do you see

The worksheets give the children a chance to observe their surroundings and to notice that people have a choice in managing the environment, both in a positive and a negative way.

## Practical Work

The three worksheets give the children plenty to do and require them to observe and understand.

### *Student Worksheet PHSE KS1/1*

Ask the children what the odd one out is on this sheet, LITTER

### *Student Worksheet PHSE KS1/2*

Choose a variety of different shapes of leaves

### *Student Worksheet PHSE KS1/3*

How do children feel about trees
