HISTORY

Life in the 2nd World War 1939 - 1945

Choose a monument for someone who died during WW2.

Look at the inscription and feel it.

Is it RAISED or INCUT? ..... If it raised it is lead but if it is incut it is carved and often painted, usually in gold, silver or black.

Write down the inscription on the monument -

How old was the person when they died? .....

Is anyone else buried with them, if so how old were they when they died? .....

Paupers (poor people) were buried by the fence around the outside of the cemetery and have no marked grave, just grass.
Why do you think this is? .....
